

10 Women of HOPE

Helping Single Parents

2024 ANNUAL REPORT

Letter from the Chair

To our faithful supporters...

As we celebrate our 16th year, we reflect on the giving nature of our community and the passion to help support families. Assisting over 200 family members in 2024, 10 Women of Hope is incredibly blessed by a community of support that allows us to assist single-parent families in Cobb County and help see them through a financial crisis. Our heartfelt thankfulness cannot be captured by words.

This year, Girls Night Out, our flagship fundraiser, saw a beautifully filled packed-house of supporters and raised over \$30,000. We are beyond grateful to our sponsors and attendees for making this happen! We are appreciative of your donations, trust, and prayers as we steward your dollars to positively impact Cobb families. Please read through our 2024 Annual Report to learn of all the amazing good your support has made possible! Thank you!!

Angie J. Davis

Angie Davis, *Chair*

Our Mission

To provide one-time financial support to stable, single-parent families in Cobb County who are experiencing a critical need.

Our Vision

To impact a family's life during a critical period by providing financial support that results in a positive outcome.

Our Referral Partners

10 Women of Hope partners with a group of reliable, community-based organizations who make referrals on behalf of qualified applicants. When our partners see a need for one-time financial assistance, they serve as intermediaries and submit a written application detailing the assistance on behalf of the applicant.

To qualify, the applicant must demonstrate financial stability and a stable living environment. Once an application is submitted, our board members review the application and vote to determine if a request is approved or declined. If approved, the need is paid directly by the 10 Women of Hope on behalf of the applicant.

OUR PROGRAMS

Girls Night Out

Our signature “friendraiser” returned on October 17, 2024, bringing together our incredible community to celebrate friendship and support single-parent families in Cobb County.

Held at The Brickyard and generously sponsored by SA White Oil Company, the evening featured sipping, shopping, and socializing with local small businesses. Thanks to the energy and generosity of our guests, Girls Night Out raised

\$34,030.78! We are deeply thankful to our sponsors, vendors, and attendees for making it such a success. We hope to see everyone for this year’s amazing gathering on Thursday, October 16, 2025.

Chattahoochee Tech Foundation Scholarship

We proudly congratulate Mary Aghughu, the latest recipient of the 10 Women of Hope Scholarship at Chattahoochee Technical College. Mary is pursuing her Associate of Science in Nursing with plans to become a registered nurse and continue on to earn her BSN. We’re honored to support her journey toward making a meaningful impact in healthcare.

Your kindness has alleviated a significant portion of the financial burden associated with pursuing higher education, allowing me to focus wholeheartedly on my studies without the worry of financial constraints. - MARY AGHUGHU

Friendraisers

We’re grateful to our partners who host local fundraising events throughout the year.

FRIENDS OF THE 10

This special donor group was created in response to a question we've heard often over the years:

“How can I get more involved?”

Launched in 2022, Friends of the 10 continues to thrive as a growing circle of dedicated supporters who want to engage more deeply with 10 Women of Hope and our mission. This special donor group was created in response to a question we've heard often over the years: *“How can I get more involved?”* In its second full year, Friends of the 10 has helped us build stronger relationships and expand our reach.

The group was established with a generous gift from Garvis Sams in memory of his beloved wife, Cloma, who always dreamed of being part of “The 10.” Cloma was honored as the inaugural member of Friends of the 10, and her legacy has continued to inspire this meaningful program.

We were saddened to learn of Garvis' passing in January of 2025.

His kindness, vision, and heartfelt support helped shape Friends of the 10 from the very beginning. His gift laid the foundation for a growing community of hope and compassion. We are deeply grateful for Garvis' enduring impact and proud to carry forward the legacy he and Cloma helped create.

In 2024, Friends of the 10 welcomed new members and hosted exclusive events designed to bring supporters closer to our work. Members also enjoyed early access to Girls Night Out shopping and opportunities to lend a hand behind the scenes. Their involvement has strengthened our efforts and helped us serve even more families in need. Friends of the 10 is a community rooted in generosity, care, and lasting impact.

Thank you to our Friends of the 10 members.

OUR SPONSORS

The Power of Partnership

This work would not be possible without the support of our sponsors. Their generosity fuels the financial assistance that uplifts families, inspires hope, and creates lasting impact in our community.

Each contribution helps move our mission forward. As we reflect on the year's progress, we're reminded of the power of partnership and the potential it holds. We welcome future sponsors to join us in creating meaningful change, one family at a time.

"I am sending you my recently received stimulus check as my donation to your organization. Several years ago, I was financially struggling as a single mom. I am now happily married and able to pay it forward to help single moms that are in the situation I found myself in years ago. I was ecstatic to find your local organization and am so happy I'm in a place now where I can help others."

- ANONYMOUS DONOR

I delivered the check to the landlord right before we went on break. This parent was BESIDE HERSELF when I gave her the good news. She started celebrating and said that she had just been praying before I called her with no idea that she was going to receive such good news. This check enabled a parent to move herself and her children out of a motel room and into stable housing. The extra provided her piece of mind to be able to save a little bit and not be right on the edge. Thank you to the 10 Women team for providing such an enormous blessing to this sweet, deserving family! You ladies are so very appreciated.

- CARA CREGER,
SCHOOL SOCIAL WORKER,
MARIETTA CITY SCHOOLS

"Words are truly insufficient for the grace and generosity shown to my family and I during my hardship. Your monetary donation helped prevent my vehicle from getting repossessed due to being out of work on medical leave. This blessing helped relieve a lot of stress off of my shoulders. I am now able to sleep at night without worry. I am forever grateful."

- A MOM WHO WAS HELPED

SCAN TO DONATE

Thanks to all who support our mission to provide one-time financial support to stable, single-parent families in Cobb County who are experiencing a critical need. Make your donation at 10womenofhope.org/donate today.
